[www.newenglandrally.org](http://www.newenglandrally.org)

Rally sponsored by the District Directors of  
Connecticut – Maine – Massachusetts – New Hampshire – Rhode Island – Vermont  
Host state for 2010: *New Hampshire*

**July 22- 24, 2010**

Your advertising message in our New England Rally Program booklet will reach approximately four hundred people. These people will be attending the Gold Wing Rally in your local area. These riding enthusiasts have chosen to return to your area because of the positive experience that was provided by the community of which you and your business are a vital part. Many of these people have availed themselves of your products and services in the past and will be likely to do so again; as they will be coming from as far away as Mississippi and will be in need of many of the services that you provide.

While many of the participants attended the rally here in 2004 there is also a sizable contingent of new riders who are not familiar with the area. An advertisement in our program may be the first and most convenient resource for them with regard to finding local establishments. Our GWRRA members are extremely loyal to those who support them. For a minimal commitment, you can support them as well.

**Adding a special discount within your advertisement will certainly show that you welcome their business and you will receive an additional FREE listing on our Business Patrons Page.**
